This document has been created to support Permit to Teach and Emergency Permit teachers who are searching for 24 hours of content coursework prior to becoming eligible for a Residency license.

Grades Math (78200) 5169, Middle School Math – Required Score 165 [http://www.etc.org/praxis/register/centers\\_dates](http://www.etc.org/praxis/register/centers_dates) Please route your electronic scores to ECU 5180 if you plan to affiliate with us for residency.

ECU will work to review your transcript(s) at the time that you reach 24 hours of content to enroll you into our Residency Program. ECU will accept grades of C or higher on coursework to determine meeting the 24 hour content requirement.

Please use the titles of the above courses as Key Words in your search for appropriate content courses. If you find any at our institution, the Office of Alternative Licensure can assist you with registration upon your admission to the university as a Visiting Student. Visiting students are not eligible for financial aid as you are not seeking a license and affiliated with our Residency Program. You would be classified as a Visiting Student until you are eligible to be a part of the Residency program and working towards licensure through our institution.

Thank you for choosing to be a teacher and we look forward to working with you as a Residency candidate when you meet the 24 hour content requirements!

The ECU Residency Model (ERM) is distance education friendly and a model based on decades of serving candidates through an alternative licensure pathway. For more information about the ECU Residency Model, please visit [http://www.ecu.edu/cs-educ/alternative\\_licensure/Index.cfm](http://www.ecu.edu/cs-educ/alternative_licensure/Index.cfm)

We look forward to the opportunity to assist you.
